On June 22, 2000, Northern Kentucky Water District (“NKWD”) applied to the Commission for authority to issue bonds in the approximate amount of \$16,530,000 and for a Certificate of Public Convenience and Necessity to construct three water main projects. In its filing, NKWD requested permission to deviate from the requirements of Administrative Regulation 807 KAR 5:001, Section 6.

Administrative Regulation 807 KAR 5:001, Section 6, requires the submission of a detailed financial exhibit for the period ending not more than 90 days prior to the date of the application. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to review adequately NKWD’s filing. Therefore, its request to deviate from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that NKWD’s request for permission to deviate from the requirements of 807 KAR 5:001, Section 6, is granted.

Done at Frankfort, Kentucky, this 21st day of July, 2000.
